RE: ORDINANCE NO. BL2008-248

DATE: September 19, 2018

In response to the above referenced ordinance, I am informing the Metropolitan Council members that the Nashville Municipal Auditorium takes the following actions to reduce paper consumption and postage:

- 1. We send the NMA's 11 page lease agreement to the client and the Metro Legal Department in secure pdf format via email to reduce paper usage and postage expense.**
- 2. Event schedules are sent out in a digital rather than paper format.**
- 3. Instead of sending a hard copy brochure, an emailed pdf brochure is now sent to prospective clients.**
- 4. We urge our concessionaire to use recyclable paper products.**
